Hello Heroes,

My name is K-T Overbey, and I am the President and Executive Director of OneSight. I wanted to take a moment to thank you for all that you do for OneSight, and tell you how excited I am to see the partnership between your store and OneSight continue to grow.

None of the work we do would be possible without the hard work that store associates put into volunteering and raising funds through customer donations. Last year, you helped us reach people in need along the Amazon River in Brazil, displaced people along the border between Thailand and Myanmar, and so many others right here at home with over 30 U.S. based programming locations in 2018 – and many more abroad.

This year holds exciting new opportunities as well, including first-ever clinics in Mongolia and Nepal and we helped Syrian refugees in Jordan. We'll also be expanding our work for communities along the Amazon river and Thailand border regions. And we'll open more than 20 new permanent self-sustaining vision centers.

This kit contains materials to help you and your team be more familiar with OneSight, as well as ways to recognize and encourage associates who are going above and beyond to raise funds. Your store will also be receiving bi-monthly patient stories so that you can see for yourself the difference you are making in the lives of those who lack access to vision care. Your efforts are making a huge impact, and we appreciate everything you do for OneSight.

Sincerely, 

K-T Overbey

President and Executive Director, OneSight
